European CNT Community meets to train, update and upgrade in Lausanne - Switzerland 25.October - 3. November 2019

The only one named twice as Qi Gong Master of the Year by the International Congress of Chinese Medicine & Qi Gong (1990 and 2012)

Dear Chi Nei Tsang Practitioners, Teachers and Senior Teachers

I invite you to join me for the CHI NEI TSANG EVOLUTION 2019 SUMMIT in Lausanne Switzerland. After teaching Chi Nei Tsang for 39 years I have reached a new understanding of my Master's Wisdom and I am now integrating the Life Pulse into the whole Chi Nei Tsang Branch.

At this event you will have a chance to experience an overview of these developments in Chi Nei Tsang 1, Chi Nei Tsang 2 and Chi Nei Tsang 3. I will also introduce the Micro Current machine in an evening presentation.

Whatever your certification is in the CNT Branch, it will be an opportunity for you to meet the Chi Nei Tsang Community as well as to train, update, upgrade and be evaluated (see current status and pre-requirements on www.universal-tao.com).

I look forward to meet all of you, Trainees, Practitioners, Teachers and Senior Teachers, and to share these updates with you in the beautiful Switzerland, in the heart of Europe.

Grandmaster Mantak Chia
